

HMP Erlestoke

Devizes, Wiltshire, SN10 5TU

Welcome to HMP Erlestoke!

Erlestoke is a category C prison for men, located near the village of Erlestoke in Wiltshire

Getting Here:

The prison is in the busy, urban location of central Bristol. The nearest railway stations are Bristol Temple Meads (3 miles) and Bristol Parkway (4 miles). Both stations have large taxi ranks, but all buses #70-79 from the central bus station pass the prison.

Parking:

The prison is in a rural location on the north of Salisbury Plain, and public transport is limited. The nearest station is Westbury, a 7 mile cab ride away. Bath and Chippenham stations are over 20 miles away. There is a limited bus service.

If driving, the prison is situated on the B3098 between Westbury and Market Lavington on the northern edge of Salisbury Plain. A visitors' car park is available on the right hand side of the prison drive. Limited disabled spaces are available.

Checking In:

Upon your arrival, walk to the top of the prison drive and report to the main entrance by pressing the doorbell button and waiting for an officer to let you in. You will initially enter into the "gate" area – this area is for staff and visitors only. You will be directed to a window where you will need to report your arrival; giving your name and the name of the person you are visiting. You will be issued with a Visitor Pass which you must wear at all times during your visit.

You will then be asked to wait for the person you are visiting to collect you from this area. At this point, you will be taken into the main prison where you will be accompanied at all times.

Proof of Identity:

You must have an acceptable form of photographic identification with you when you visit. Failure to present this on arrival will result in you being refused access.

A driving licence or a passport is the preferred forms of identification. If you do not have either of these, please notify your HSH point of contact before your visit, who will assist you in establishing a suitable alternative.

Facilities:

Once in the prison, you will have access to bathroom facilities, tea and coffee making facilities, cutlery and a refrigerator for any food or drink you bring with you.

If needed, the team on site can provide you with writing materials, access to a telephone and any PPE you may require as part of your visit.

Prohibited Items

Any individual entering a prison, including staff and visitors, must adhere to the Prohibited Items List. This is a list of items that must not be brought into the prison establishment. Some items on the list may be permissible with prior authorisation from the prison's security department.

Visitors are advised simply to take only "essential" items into the prison during any visit. This might include:

- ✓ A pen and paper / notepad for note taking
- ✓ Supporting paperwork that has been requested
- ✓ Feminine hygiene products
- ✓ Prescribed medication, but not more than will be needed during the visit
- ✓ Food and soft drinks to last the duration of the visit – wrapped in cling film or paper (if required)
- ✓ Small bag, sufficient only to hold the above listed items
- ✓ Clothing required for the visit (i.e. a coat if it is cold/wet)

The full list of prohibited items is made available in the gate area of the prison. If you have any of the listed items on your person at that time, you must notify the prison staff in the gate area. You will either be directed to return such items to your vehicle or to secure such items in a locker provided by the prison. If you use a locker, you will be issued the key to keep on your person during your visit and to allow you to retrieve the items when you leave the prison.

It is a criminal offence to take prohibited items beyond the gate area and into the main prison, unless you have written authorisation from the prison's security department.
